

DURHAM KENNELS

PUPPY PROGRAM

Pups must be eighteen weeks old and fully vaccinated before attending their private session. This form must be completed and emailed prior to your class or you may print a copy and bring it with you on the day of your visit, along with an up-to-date immunization record from your vet. Pups must be current on all vaccines, including rabies and bordatella, and be on a flea and heartworm preventative. These health requirements are for your pet's protection as well as the safety and well-being of all of our guests.
