

DURHAM KENNELSPUPPY PROGRAM

MEDICAL HISTORY

Pups must be eighteen weeks old and fully vaccinated, including rabies and bordatella, and be on a flea, tick and heartworm preventative before attending your private training class. Please complete this form and bring it with you on the day of your private puppy class, along with an up-to-date immunization record from your vet. These health requirements are for your pet's protection as well as the safety and well-being of all our canine guests.
